

# E3 Peer Event

August 23, 2017  
8:30 a.m. – 1:00 p.m.

Virginia Highlands Community College  
Nursing Education Building, Room 102

The Manufacturing Technology Center and Virginia Highlands Community College will be hosting an E3 Peer Event on August 23<sup>th</sup>, 2017. The purpose is to provide a forum for business professionals to share and discuss issues related to continuous improvement, environmental performance and energy conservation. The conference will include a combination of informative presentations and roundtable discussion.
