

Lean Six Sigma Green Belt Certification

New class starting at Center of Education and Training in Lebanon, VA

The courses present the ASQ Lean Six Sigma body of knowledge in a simulation workshop application oriented manner using a project simulation that takes the participants through the D-M-A-I-C process improvement methodology. The course format was developed around a Train-and-Do approach. Classroom activities will include a combination of lecture and simulation exercises. All materials, including ASQ Exam Voucher, included in price.

Sept. 12 – Nov. 28. Tuesdays. 8 am- 12 noon.

Tuition Cost: \$2,550. WCG Eligible Students pay \$850
