April 6, 13 and 20

8:00 a.m. – 12:00 Noon

VIRGINIA HIGHLANDS COMMUNITY COLLEGE – ISC, Room 119

12-hour Course

1.2 CEU's

The Manufacturing Technology Center is offering **ISO Standard** courses this spring.

### TRAINING TOPICS

Intro to ISO 9001:2015  
 Intro to ISO 14001:2015  
 The Process Approach  
 Internal Auditing  
 ISO Standard Sections;  
 \* Context of the Organization  
 \* Leadership  
 \* Planning  
 \* Support  
 \* Operation  
 \* Performance Evaluation  
 \* Improvement  
 Process Flow Mapping  
 IA Checklists  
 Gap Analysis  
 Quality Policy  
 QMS (Quality Management System)  
 EMS (Environmental Mgmt. System)

The Train-and-Do process uses classroom activities, combining lecture and simulation exercises.

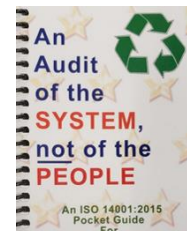

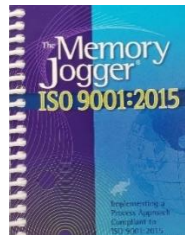

The ISO courses are scheduled for spring 2020.

The ISO courses offer students a comprehensive review of the ISO 9001:2015 standard, and ISO 14001:2015 standard. The class steps through each section of the standard to ensure a full understanding of each section, as well as the requirements of Internal Auditor checklists and Gap Analysis work.

After completing this course the student will be able to support their organization as an auditor or ISO certification team member. Each student is provided a pocket guide shown below in order to follow the course sections and to use after the course to work within a

QMS or EMS system.

\$ 1200 per person. A discount will be offered if sending 4 or more employees from your agency or company (\$900 PP).

To register for this spring 2020 course please contact  
Linda Newman at 276-223-4709 or
